**MPM MOTOR OIL ESP-FE
0W-20**

**VAG GROUP - Approval
VW 508.00/509.00**

05000ESP-FE

This Premium Synthetic Long-Life motor oil has been specially developed for the latest generation 2.0 TFSI (140 kW) and 3.0 TDI CR (160kW) VAG engines where VW specifications 508.00/509.00 are prescribed.

This high-quality SAE 0W-20 fully synthetic engine oil has excellent fuel-saving features and is designed to ensure the lifetime of exhaust after-treatment systems.

In addition, this low-viscosity engine oil has excellent cold start characteristics and provides maximum, total protection against engine wear.

Not suitable for engines where oil is prescribed with other VW specifications.
